

Design your own egg character...

What to do in 3 easy steps...

1

Well done, you've downloaded the Egg template, now it's time to design your Egg character

2

Extract the Egg template from this page and drop into a new document measuring 800x600 px

3

Create your very own Egg character and send as a jpeg to info@bensteers.com. All submissions will be featured on my blog. Eggcellent!
